ACADEMIC INFORMATION

Graduation Requirements - A grade average of 85% is required for graduation from any program at The Academy. Both theory and practical work are considered important. Students are evaluated on a level system that prepares them for salon performance levels. All course work and course hours must be completed to graduate. Graduates earn a diploma.

Grades - The Academy uses a 100-point grading scale: 85-100% is passing. Below 85% is not passing. Grades are given for classroom work, projects, and styling area/clinic performance. Work habits, appearance, conduct, initiative, cooperation, and attendance are also considered.

Incompletes - Incompletes may be given by the educators when the student is making every attempt to learn a skill or subject but requires additional time to complete the work successfully. Educators determine the time to complete the work. The student will be given a deadline and description of work that must be completed.

Inadequate Grades - When a student is weak in one or more areas of study or skill, the educators will determine a deadline for the student to complete the work satisfactorily. Inadequate grades may indicate lack of motivation as well as inability. The student will be informed immediately after a grading period how a deficiency can be corrected. The student will be counseled several times during the same grading period.

Suspension - Students may be suspended for absence, tardiness, or inappropriate behavior. If a student is suspended, the student will be counseled about the problem and what the student must do to correct the problem. It is the intent of The Academy to prepare professional people for a career. If a student is not so inclined and has limited likelihood of success in this career, it is the responsibility of The Academy to inform the student and to tell the student how deficiencies could be corrected.

Termination - A student may be terminated for inadequate grades, failure to comply with attendance policies, or any failure to comply with policies of The Academy as outlined in this catalog.

Terms of Re-entry – Students who have been terminated or withdrew from Academy will be ineligible for re-enrollment. Students returning from a leave of absence will return in the same progress status as when they left. Please see the leave of absence policy for more information.

CAREER PLANNING

Licensing Requirements – To become licensed in Missouri, students must complete the hours of approved training, graduate from an approved school, and pass the state board and state law exams. Hours of approved training:

Program	Required Hours	Months to Complete
Cosmetology	1500	11-18 Months
Esthetics	900	7-12 Months

Placement – The Salon Professional Academy does not guarantee employment. The Academy maintains contacts in the cosmetology profession to assist students in job placement. Employers are encouraged to interview students, and every effort is made to secure a job opportunity for each graduate. Students are prepared in the latter part of training to seek employment. Job opportunities are announced and posted. The Academy will also follow-up with graduates to help us prepare new students for future job placement.

Career Opportunities - There are many opportunities open to licensed cosmetologists and estheticians. The Academy prepares all graduates for the licensing exam and entry-level positions in hair studios, spa salons, and destination spas. Additional industry experience could lead to employment as a manufacturer sales/education person, a distributor sales consultant, or an admissions and financial aid director in cosmetology schools. Additional licenses are required to become an educator in a school of cosmetology arts and sciences.

ACADEMY POLICIES

These policies are important to your success at The Academy and are a condition of your enrollment. Your attitude must be positive to attract guests and friends. Demonstrate maturity and tolerance in the handling of difficult people and situations. Be pleasant and smile!

Learning- Subjects being taught are reviewed and built upon constantly. If you don't understand a subject, seek help from an educator. Our goal is to assist your learning. Your goal is to learn as much as you can. Learning and memorizing are not the same. Learning means you take what is covered into your thinking and can use it. Memorizing is short term and will not last.

Appearance- Students are required to follow the Apparel Code.

Personal Service- Students in good standing will receive a monthly student service voucher when on the salon floor.

Conduct In Salon Area- Choose your words carefully. Swearing and other improper language is not tolerated. A professional does not complain or gossip. Do not gather at or behind the reception desk, in the salon area or around a station where another student is working with a guest. Students will be under the supervision of educators at all times. Always get an educator's consultation before you proceed with guest services. Breaks and lunch times are scheduled by the educator. Clean work area and put all tools and laundry away before a break or lunch. Please do not leave the building or go on break before the scheduled time without the educator's approval. A tardy will be given for clocking out/taking lunch before the scheduled time.

Phones, Cell Phones, & Purses- Cell phone use is restricted to designated phone zone areas: Taking a photo at the ring light, in the breakroom, by the back door, or outside when on a break/lunch. It is the student's responsibility to give the Academy's phone number to friends, family, doctor's office, child's school, caregiver, or anyone needing to contact you for emergency/urgent matters. Purses/bags are not allowed in the classroom or salon area for the safety of personal items. Please bring books, pens/pencils, and notebook only into class rooms. Kit supplies should be kept in a locker until an educator has instructed that is needed. A student may be sent home for not following policies.

Attendance Policy- Students are required to be here during their scheduled hours. If a student is tardy or absent, any hours/minutes missed may cause the student to go over contract which will then cause the student to pay additional over contract charges along with the possibility of dismissal from the program. Please see SAP Policy for additional information.

Early Arrival- A student may clock in 30 min before their scheduled start time. If a student clocks in before 30 minutes, the student will not receive credit for those hours/minutes.

Late Arrival- Any student that will be late for their scheduled start time must call before their scheduled time to report the tardy. The student must speak to an educator or employee of the school. If the student will be more than 30 min late, the student will not be admitted into class or floor area without excusable documentation. If the student does not call to report the tardy by their scheduled time, the student will be sent home upon arrival and receive an unexcused absence. If the student calls before they're scheduled, and arrives no more than 30 minutes late, the student will be allowed to clock in and only receive a tardy.

Excusable Documentation:

1. Illness of student or student's child with doctor's excuse*
2. Funeral with program from service
3. Car accident with police report
4. Doctor visits for non-illness appointments require a doctor's note. (Examples: medical, dental, vision, pregnancy)
5. Maternity or complications of pregnancy with doctor's excuse*

*Doctor's excuse must show that you were in the office the day of the absence and released to return to school.

Leaving Early or Sent Home- If a student leaves early without proper documentation or is sent home, it will be documented as a tardy in their attendance. A student may be sent home for the following: Improper dress code, refusing clients or services scheduled, sitting in a car in the parking lot, not participating in assigned classroom or salon/spa activities and sanitation's, cell phone use in restricted areas, or any other professional conduct listed in the academy's policies. Policies are subject to change.

Absences- If a student requires a day off, the student must fill out an Absence Request Form prior to the date needed and turned in to their educator. For unexpected days off, the student must call before 9am to report their absence. If a student does not call to report their absence or does not come back from lunch it will result in a loss of \$50 from their scholarship and documented as a no call/no show.

1 tardy = \$10 removed from their scholarship.

Makeup Hours- Makeup hours are limited, and should not be depended on to complete the program within the contracted date.

Lunches- Students are required to clock out for at least 30 min every day for lunch/dinner breaks. If the student does not clock out, a tardy will be given. If student was unable to take all the minutes required for lunch/dinner because of a client, the student must get documentation signed from the educator that is working with them. That documentation must be turned in that day for it to count.

Absences & Grades During Foundations- During the “Foundations” period, if a student is absent for more than the following number of days (does not have to be consecutive), the student may have to repeat foundations with the next scheduled class.

Cosmetology Students: 3 Days/ 18 Hours

School holidays include New Years, Memorial Day, Fourth of July, Labor Day, Thanksgiving, and Christmas. A student may be sent home for all or part of a day for rule breaking. The electronic scanner time clock keeps your hours record in minutes. Even one minute late is a tardy!

Lockers- Each student will use a locker to store personal items and be provided a lock and key. Lost keys will be replaced by the student. The Locks and keys are to be returned with the locker cleaned out on a student’s last day. There is a \$20 fee for lost locks and/ unreturned locks.

Grades- All training must be completed with an 85% average. Please See SAP Policy.

Incompletes- Incompletes are given at the discretion of the educator when students are working on guests in the salon area. When a student receives an incomplete on the grade sheet, it means the student didn’t know all the steps of the on service or guest handling procedures. The educator will coach the students in the specific areas they need help.

Inadequate Grades- When a student is deficient in one or more areas of study or skill, the educators will determine what period of time the student will have to complete the work satisfactorily. The student will be informed immediately after a grading period how a deficiency can be corrected. The student will be advised of progress during the grading period.

Suspension/Dismissal- Students may be suspended/dismissed for poor performance, absence, tardiness, inappropriate behavior and any refusal to follow TSPA policies. If a student is suspended, the student will be advised about what the student must do to correct the problem. It is the intent of the school to prepare professional people for a career. Employers ask about attitude, attendance and levels. Students may be sent home or suspended when not following school policies.

Cosmetology Students: 3 Days/ 18 Hours
 Esthetic Students: 3 Days / Full Time 18 Hours or Part Time 11 Hours

Academic Progress - Students are assigned theory study and practical assignments. Theory is evaluated by written exams given after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. Practical skills are evaluated according to text procedures and performance standards established by the licensing agency. Students must maintain a grade average of 85% and complete all written and practical final exams prior to graduation. Numerical grades are considered according to the following grading scale:

Practical and Theory: 95 - 100 A = Excellent
 91 – 94 B = Good
 85 – 90 C = Average
 84 or less = Failing

Determination of Progress - Students meeting requirements at the end of each payment period will be considered making Satisfactory Progress until the next evaluation point. In order for a student to be considered making Satisfactory Progress, the student must meet both attendance and academic minimum requirements. Students will sign the SAP document at each evaluation and will have access to these documents in their student file. The SAP document will state if the evaluation will impact the students' financial aid. Students will be evaluated at the following points:

Course/ Program	Pay Period / Scheduled Hours / Weeks	Evaluations Are Completed When Students Are Scheduled to complete:
Cosmetology	Pay Period 1 / 1-450 Hours / 14 Weeks Pay Period 2 / 451-900 Hours / 14 Weeks Pay Period 3 / 901-1200 Hours / 9 Weeks Pay Period 4 / 1201-1500 Hours / 9 Weeks	450 Hours/ 14 Weeks 900 Hours / 14 Weeks 1200 Hours / 9 Weeks
Esthetics	Full Time- Pay Period 1 / 1-450 Hours / 14 Weeks Pay Period 2 / 451-900 / 14 Weeks Part time- Pay Period 1 / 1-450 Hours / 26.5 Weeks Pay Period 2 / 451-900 / 26.5 Weeks	450/ 14 Weeks 450 / 26.5 Weeks

Warning - Students failing to meet requirements for attendance or academic progress will be placed on Warning Status. Students on Warning Status may continue to receive Title IV funding for one payment period. Students are not required to appeal a Warning Status. Students will be required to complete any missing work and/or make up any hours that may put them back into SAP.

Appeal - If a student is determined as NOT making Satisfactory Progress after the Warning Status, they will become ineligible for Title IV funds. The student may appeal the negative determination. Students who wish to appeal the school's determination (for reasons such as death of a relative, injury/illness of the student, or other special circumstances) must appeal within the required time frame and on the School required form. The student must submit a written appeal on the school's form to the school administration within 5 days of the determination, with supporting documentation including reasons why the determination should be reversed and a request for re-evaluation. An appeal hearing will take place within 5 business days of receipt of this written appeal. This hearing will be attended by the student, parent/guardian (if applicable), and appropriate school staff. The Academy will determine if SAP can be met by the end point of the probation period. A decision on the appeal will be made within 3 business days after the hearing, and will be communicated in writing. This decision will be final. Students who prevail upon appeal will have eligibility for Title IV funds reinstated and be placed on Probation until the next evaluation period.

Probation - Students on Warning Status who do not meet requirements at the next evaluation point and have prevailed in their Appeal will be placed on Probation Status if it is determined they can meet the SAP requirements within the 117% timeframe. An academic plan will be made for that student. The student will be required to follow the Academic Plan. The plan may include the requirement

to make up hours and/or complete all missing work. A student may be placed on Probation Status for one evaluation period.

If the Academy determines that a student is not making satisfactory progress and will not be able to meet these SAP requirements within the maximum time frame of 117%, the Student may be dropped from the program.

Reestablishment of Status - A student determined NOT to be making Satisfactory Progress may reestablish Satisfactory Progress by: 1) Making up missed tests and assignments and increasing grade average to 85% or better, and/or 2) Increasing cumulative attendance to 85%.

Reinstatement of Financial Aid - Title IV aid will be reinstated to students who have prevailed upon appeal regarding the status of Satisfactory Progress or who have reestablished Satisfactory Progress. Students on suspension of funds will be monitored daily via an electronic Satisfactory Progress report to determine when they reestablish Satisfactory Progress.

Determination Date / Withdrawal Date (Official Withdrawal / Unofficial Withdrawal) - The actual last date of attendance would be the last day the student was physically in attendance. A withdrawal date on a student who had previously attending could be up to but not to exceed 14 calendar days from the student's last date of attendance. An active student officially withdraws when they notify the school's administrative office of their intention to withdraw from school. An active student is considered unofficially withdrawn when they have been absent for 10 consecutive days (14 calendar days) from their last date of physical attendance without notifying the school's administrative office. Unofficial withdrawals are determined through monitoring clock hour attendance weekly.

Course Incompletes, Repetitions and Non-Credit Remedial Courses - Course incompletes, repetitions and non-credit remedial courses have no effect on the institution's Satisfactory Progress Policy and do not apply to The Salon Professional Academy.

Reentry Students / Interruptions - Students who have been terminated or withdrew from Academy will be ineligible for re-enrollment. Students returning from a leave of absence will return in the same progress status as when they left. Please see the leave of absence policy for more information.

Return of Title IV Funds

The Academy may return Title IV funds for various reasons. The following lists those reasons and how the determinations are made.

Overpayment of Title IV Funds - An overpayment occurs when a student receives more financial aid (this includes scholarships, grants, and loans) than what is needed per the course budget. If the funds have been disbursed to the student, the student will then be notified of the overpayment in writing by The Salon Professional Academy. If the student is required to return any funds disbursed to them, they will have 45 days from the day they were sent the notice to return the funds to the Financial Aid Office. The financial aid office will then return those funds on the student's behalf. If the student does not return the funds directly to the financial aid office, they must provide proof of the return from their loan servicer. If proof cannot be provided, the Academy will use the form provided by the US Department of Education to refer the student to the Debt Resolution Service Department.

Student Withdrawal - When a recipient of title IV grant or loan assistance withdraws from the Academy during a payment period in which the recipient began attendance, the Academy must determine the amount of title IV grant or loan assistance that the student earned as of the student's withdrawal date.

The withdrawal date is the last date of attendance for official withdrawal and unofficial withdrawal. The last day of attendance is determined by the student attendance record. Once that date is determined, the Academy will then determine the amount of hours the student was scheduled to complete between the first day of the payment period and the withdrawal date. This percentage will determine the amount of aid earned:

- Under 60% of hours scheduled = Earned amount is equal to the percent of hours.
Example: Student was scheduled to complete 30% of the hours in the payment period, they earn 30% of the aid awarded.
- 60% or over hours scheduled = Earned amount is 100%
Example: Student was scheduled to complete 60% of the hours in the payment period so all awarded aid was earned.

Any unearned title IV funds that have been disbursed to the student's account will be returned to the Secretary by the Academy on the student's behalf along with written notice to the student of these returned funds. The Academy will return these funds within 45 days of making the determination.

Funds are returned in the following order:

- 1st- Unsubsidized Federal Direct Loans
- 2nd- Subsidized Federal Direct Loans
- 3rd- Parent Plus Direct Loan
- 4th- Federal Pell Grants

If earned funds have not been disbursed, the Academy will consider earned funds as a post withdrawal disbursement.

Post Withdrawal disbursements - 1st- If the R2T4 calculation shows the student is eligible for a Pell Grant post withdrawal, the academy may credit the student's account without permission from the student to cover any tuition or fee. Authorization is necessary for any charges other than current charges.

2nd- If the R2T4 calculation shows the student is eligible for a Post Loan withdrawal disbursement, the Academy must obtain confirmation from a student or parent, in the case of a parent plus loan, before making any loan disbursement. The Academy will notify the student/parent in writing within 30 days of determining eligibility of a post withdrawal disbursement. This notification will explain what the disbursement will credit towards the student's account and any funds that could be directly disbursed to the student or parent, in the case of a parent plus loan. Confirmation must be made by the student and/or parent, in the case of a parent plus loan, within 180 days that they would like these disbursements made. The student/parent does have the right to request all or just a portion of the loans they would like to be disbursed.

Please remember that all Title IV loan funds, student and/or parent, will require repayment in accordance to the agreement made by signing the master promissory note. Students may still have a balance with the Academy after all

Withdrawal Date (Official Withdrawal / Unofficial Withdrawal)

- A student officially withdraws when they notify the school's administrative office of their intention to withdraw from school. Notification can be in writing or in person.
If the student chooses to do this in writing, please mail it to:

Attention: Admissions
The Salon Professional Academy
3141 West Clay
St. Charles, Mo 63301

- A student is considered unofficially withdrawn when they have been absent for 10 consecutive days (14 calendar days) from their last date of physical attendance without notifying the school's administrative office. Unofficial withdrawals are determined through monitoring clock hour attendance weekly.

Please remember that all Title IV loan funds, student and/or parent, will require repayment in accordance to the agreement made by signing the master promissory note. Students may still have a balance with the Academy after all earned Title IV funds are applied.

After the R2T4 process is complete, and the student's ledger has all earned Title IV funds applied, the Academy will then complete the Tuition Refund Worksheet to determine if any other balances remain on the student's account. Below is the example of the Academy's refund chart:

Percentage of total program Represented by scheduled hours	Maximum amount of total tuition Academy shall receive or retain
0.1 to 4.9 percent	20 percent
5 to 9.9 percent	30 percent
10 to 14.9 percent	40 percent
15 to 24.9 percent	45 percent
25 to 49.9 percent	70 percent

If the Student is scheduled to complete 50% of the course hours, no refund is due and all tuition is due.

Failure to repay any Title IV funds may result in the student losing eligibility for Title IV aid in the future. Failure to repay the Academy any remaining balances may result in the student not being able to transfer hours to another institution, and/or not being able to take the Missouri State Board Exam. The Academy will also send the student to collections for any balances due on the account if arrangements for repayment are not made with the Academy within 30 days of the Academy sending notice in writing to the student about their account balance. The Academy collection services are provided by:

**Evans & Dixon LLC

Leave of Absence Policy - A student may be granted a leave of absence for circumstances beyond the control of the student. The leave of absence must be requested and approved in writing prior to a leave of absence occurring. In addition, the student is required to list the reason for the leave of absence. Emergency leaves of absence, without prior written request may be granted provided the student completes the leave of absence request form and return it to the school via mail or in person. There must be a reasonable expectation that the student will return from the LOA. A student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at this time.

The minimum time frame for a leave of absence is 30 calendar days. The maximum time frame for a leave of absence is 6 calendar weeks. The school permits more than one non-consecutive leave of absence in a 12-month period provided that the total number of days of all leaves of absences do not exceed 180 days in a 12-month period.

The student is required to keep in contact with the administrative offices to make plans for their return. If no contact has occurred, via phone or mail, notice will be given to the student in regards to their future at the Academy. If the student fails to return on their next scheduled day after the leave of absence the Academy will consider this an unofficial withdrawal. The withdrawal date used for refund calculation purposes will be the students last date of attendance prior to the LOA.

The student will not be charged any additional fees or tuition because of a LOA. When the student returns from the LOA, they will begin with their program where they left off. The students' contract date will be extended by the same amount of days taken during the LOA. Changes to the contract period must be signed off by the student and Academy. Students will be advised prior to their LOA about any effect the LOA would have on their Title IV funding as well as the consequences of not returning from the LOA and the terms of any title IV loans, including the expiration of the students' grace period.

REFUND POLICY

This refund policy applies to all terminations for any reason, by either party, including student decision, course or program cancellation, or school closure. Every termination will have a refund calculation preformed and refunds will be made in a timely matter.

An applicant not accepted by the Academy is entitled to a refund of all monies paid to the school, minus the application fee of \$100. If the Student (or the Student's parent or guardian if the Student is a minor) cancels the enrollment in person or in writing, or is not accepted, within three business days of the execution of this agreement, all monies paid herein, including all fees, shall be refunded by the Academy to the student. If the Student cancels enrollment after three business days of the execution of the agreement and it is prior to the commencement of classes for which the Student is enrolled, the Student shall be entitled to a refund of all monies paid to the Academy, less the application fee of \$100, registration fee of \$95.

In the event the Student begins but does not complete the course, by the student's choice or by termination from the Academy, the Student will be charged in accordance to the Academy's Refund Policy. If the Student terminates prior to course completion, the Student is assessed a **\$150.00** termination/withdrawal fee. All refund calculations are based on scheduled hours on the students last day of attendance. The Academy will receive or retain tuition as follows:

Percentage of total program Represented by scheduled hours	Maximum amount of total tuition Academy shall receive or retain
0.1 to 4.9 percent	20 percent
5 to 9.9 percent	30 percent
10 to 14.9 percent	40 percent
15 to 24.9 percent	45 percent
25 to 49.9 percent	70 percent

If the Student has completed 50% of the course hours, no refund is due and all tuition is due.

In the case of a leave of absence, the date of withdrawal shall be the earlier of the date of expiration of the leave of absence or the date the student notifies the Academy that the Student will not be returning.

The cancellation date of official cancellations or withdrawals made in writing is determined by the postmark on the written notification, or the date said information is delivered to the Academy in person.

If the Academy is permanently closed and is no longer offering training after a Student has enrolled and begun training, the Student shall be entitled to a pro-rata refund of tuition. If the course is cancelled after the Student's enrollment, but prior to beginning classes, the Academy shall provide a full refund of all monies including all fees. If the course is cancelled after the Student's enrollment, and classes have begun, the Academy shall provide a pro rata refund for all students transferring to another school based on the hours accepted by the receiving school.

Any monies due the Student shall be refunded within 45 days of the official withdrawal. Official withdrawals are determined when a student notifies the Academy of their withdrawal. In the case of an unofficial withdrawal, monies shall be refunded 45 days after the date of determination. Unofficial withdrawals are determined when a student has been absent for 10 days without communication with school officials. The 11th day will be the date of determination. . Unofficial withdrawals are determined through monitoring clock hour attendance weekly.

If the refund calculation determines that the student will owe the Academy any uncollected tuition, the student will be notified in writing within 45 days from the last date of attendance. The student will have 30 days to make arrangements for the payment. If arrangements are not made, the Academy will submit a copy of the students' enrollment agreement, refund calculation worksheet, and ledger to Evans & Dixon LLC for collections.

PAY IN FULL

If the student tuition can be paid up front, by the first day of class, the student will receive 20% off tuition. Financial aid cannot be used with this option. Payment can be made via cash, check, money order, or credit card.

FINANCIAL AID

Apply for federal financial aid by going to www.fafsa.ed.gov Add our School Code **041706**
If you qualify, Federal Pell Grants and Student Loans can be used towards your tuition. If you need assistance filling out your FAFSA or have questions about financial aid, call JoAnne at 636-541-9757.

SCHOLARSHIPS

You will have the opportunity to earn scholarships throughout your program. Scholarships are earned by participation in the Summit Level System and your attendance. Scholarships are all awarded and applied after the student has graduated. Scholarships will first be applied to any balance the student has with the Academy before payment arrangements can be made for any additional balances. We will discuss more on this during your admissions tour.
